

Dear Parents:

We are privileged here at BCCS to witness numerous success stories about our children learning to swim and achieve a higher level of fitness.

Our pool is heated!!!! We offer year round classes.

Please find more info for fees, dates, and swimming levels and how to register as follow

Important Note: If your child is not in our regular aftercare program, we have great news for you: Leave your child with us the days of practice and enjoy your extra time (you do not have to pick them up when school day is over). Pick them up promptly when swimming practice is over, no extra charge. After practice is over, you will be responsible for the \$12 daily charge of aftercare.

Please remember to have your child bring an appropriate fitting bathing suit and towel on the days that they are assigned swim classes. If your child has any medical issues please let us know in writing and we would need permission from their doctor in order for them to participate in the swim classes.

Please Note: First period is full and our second period registration is now

(From Nov 14th . December 2nd) taking place.

Levels offered

Blue fish: Basic swimming ability that will teach a child not only to get to the wall, but also kick efficiently as well as get a breath

Dolphin: Beginning of learning distance swimming which includes: Freestyle, back stroke, and breast stroke

Shark: 4th, 5th, 6th graders Exercise fitness swimming+ basic life safety skills

- 1) Teaching and refining swim techniques in free style, back stroke, breast stroke and butterfly
