**Title I Administrative Office**

**701 NW 31 Avenue  
Fort Lauderdale, FL 33311  
754-321-1400**

**Dr. Leontine J. Butler, Deputy Superintendent, Curriculum  
Luwando L. Wright-Hines, Director**

## FACTS

Title I is a federally funded program that provides supplementary staff, instruction, and support services for students who need extra help in reading, mathematics, science, and writing. Title I funds must be used in addition to District and State funds. All of the services students would receive in the absence of Title I must be in place before Title I funds are used.

The 2011-2012 Title I schools are schoolwide projects because 50% or more of their students receive free or reduced price meals as of the **November 5, 2010** date certain. Every student in the school is eligible to benefit from Title I funds and services.

Public Law 107-110 contains provisions for Title I services to select non-public schools and students residing in institutions for neglected or delinquent youth. Public Law 107-110 also stipulates that parents must be involved in the Title I program.

## FUNDING TO SCHOOLS

The amount of Title I funds a school receives is based upon the number of students who were on free or reduced price meals as of **November 5, 2010**. Schools use the Title I funds to hire staff and/or purchase goods and services needed to support objectives in the School Improvement Plan. Schools make decisions about how best to use Title I funds to improve student achievement.

## TITLE I PARENT INVOLVEMENT

The Title I program for parents is designed to 1) inform parents about Title I regulations, 2) involve parents in local Title I decisions, 3) provide literacy training, 4) offer parents training in schools and the community on ways to work with their children at home to raise student achievement, and 5) encourage active participation in their children's schools and education. Public Law 107-110 requires:

- All Title I schools to develop jointly, with parents of participating children, a parent involvement policy and a school-parent compact (written agreement) that states what parents, students and the school will do together to raise student achievement.
- Each Title I school is to spend their minimum Title I parent involvement allocation on parental involvement activities.
- Conducting with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy and activities in improving the academic quality of the schools served.

## ADDITIONAL FACTS

The *No Child Left Behind Act* (NCLB, 2001) requires that school districts (Local Education Agency – LEA) that receive Title I federal funds develop a LEA Parental Involvement Plan. As well, all Title I schools are required to develop a School-Level Parental Involvement Plan whereby parents assist in the development, monitoring, and revision of all plans.

The LEA Parental Involvement Plan is made available for your review on the Title I website ( <http://www.broward.k12.fl.us/titleone/Home.html> ) and at the individual school's website. The Parental Involvement Plan is distributed at the district's and school's parent meetings. You may request a copy of the School-Level Parental Involvement Plan by contacting your child's school. The LEA Parental Involvement Plan may be obtained by contacting the Title I Office at (754) 321-1410.

In addition, parents should receive a copy of their child's School-Parent Compact. This document is generally distributed during the first week of school. If you have not received a copy of the School-Parent Compact, you may notify and request a copy from your child's school. Once received, please sign the school-parent compact and return it to the school.

## PARENT TRAINING

- \* School/District/Community Workshops
- \* Title I Parent Training Academy
- \* MegaSkills® Training
  - Schoolwide Schools
  - Title I Parent Involvement Program

## Homeless Educational Services

The District provides services to at least 2,000 homeless students each school year, with over 200 schools impacted. The recent economic downturn has caused even more students to become homeless.

The Homeless Education Program identifies homeless students and removes barriers to their education. The program maintains the school as the student's stable environment. It addresses school enrollment, transportation, reassignments and provides student with supplemental academic and counseling case management services, as well as connections to their school social worker.

All homeless students are eligible for free meals. They are also given exceptions to normal enrollment, boundary, immunization and transportation procedures. All homeless children are given a 30-day grace period for all enrollment documentation, including school physicals and immunizations.

Depending on your living situation, you may be eligible for services through this program. Call 754-321-2574 for details.
